

## *Sweet Dreams for the first Day of School*

*The night before school is exciting and fun.  
There are always so many things to be done.*

*Your clothes are ready, your backpack is too.  
Your classroom is full of fun things you will do.*

*Lots of questions go through your mind.  
All types of thoughts of every kind.*

*But sometimes we all get the jitters down deep.  
And that makes it hard to fall fast asleep.*

*So I've made this magic confetti for you,  
Full of promises for the whole year through.*

*On the night before your first day of school,  
When you lay down your head, just sprinkle some*

*Magic confetti under your pillow in bed.  
The confetti will help you sleep through the night*

*And wake up in the morning fresh and bright!  
Sweet Dreams!*
